Rabbi Scott & Jon Mundy on Funerals and Memorial Services - Click here to watch--> <https://youtu.be/I3iTNbusY6A>

Highlighting much of his experience and knowledge of providing funeral and memorial services, Rabbi Scott Mattous accompanied his talk with a comprehensive PowerPoint on the topics he discussed. Sharing both practical applications and the wisdom gained from his years of experience with Jewish services, he gave a good foundation for ministers of any faith as well. Then Rev. Jon Mundy joined the presentation and discussed much of his own insight and background on the subject, which dovetailed with much of what Rabbi Scott had presented. Question and Answers followed.
