

# ETHICS

<https://youtu.be/22Osr5vWKhI>

A discussion on Ethics in our ministerial roles and on the meaning of Ethics in life in general is discussed. Along the way, interspersing a very active class discussion, Kathleen collected words to use to represent the word “ETHICS” in the “Kabbalistic tradition” of Rabbi Gelberman who loved to define a word by using its letters and finding words to make an acronym of the qualities associated with that word. This was a very wide-ranging and at times passionate discussion of how and why ethics can be applied and where they are needed, and how to approach difficult situations.
