Rev. Theresa starts out by describing what a typical day-in-the-life of a Hospice Chaplain is like. Then she winds up the discussion by presenting several different case-studies taken from her actual experience, and asks the class what actions they would take or recommend in each scenario. The questions to the class, and the resulting discussion is both creative and informative as Rev. Theresa elicits real thinking and strategy suggestions from the students.

Sister Mary Claire on Prison Ministry/Chaplaincy https://youtu.be/YpNzj_cWgPA

Sister Mary Claire draws you in with her down-to-earth homespun style and warm friendly demeanor. She has a way of describing all the difficulties faced by prisoners, and with serving prisoners in an easy-going way that makes it seem like nothing is too hard or too dangerous. Her message is clear. We all make mistakes, and we all deserve respect as fellow human beings. If some of us have been dealt a rough hand in childhood, and wind up in prison, we cannot let that dehumanize them in our minds. Real rehabilitation requires that Love, trust, and a sense of self-worth and purpose be given to those who need it the most. And with story after story, and opportunity after opportunity, Sister Mary Claire shows how this can be done in a friendly, non-threatening, and in a simple, kind-hearted way.
